

INVITE YOU TO ATTEND A SIDE EVENT:

HUMAN RIGHTS PROTECTIONS IN THE CLEAN DEVELOPMENT MECHANISM

*MONDAY, 10 JUNE 2013, 18:30-20:00
MINISTRY OF ENVIRONMENT, SOLAR*

Numerous concerns have been raised about human rights abuses associated with CDM projects. To protect the rights of affected communities, the CDM must establish institutional safeguards that effectively prevent social and environmental harms, and promote sustainable development.

Panelists include:

- WENI BAKAMA – Ngöbe-Buglé activist from M-10 Movement of the Tabasara River
- ALYSSA JOHL – Senior Attorney, Center for International Environmental Law (CIEL)
- EVA FILZMOSEER – Director, Carbon Market Watch
- OSCAR SOGANDARES – Spokesperson, Asociación Ambientalista de Chiriquí
- WOLFGANG STERK – Project Coordinator, Wuppertal Institute for Climate, Environment, Energy
