CDM projects and CDM POAs located in **China** are **excluded from this list but are listed on our website [here](#)**. We will circulate updates on these projects to a smaller list of Chinese Network members in the future.

We strongly encourage you to prepare and submit comments with any concerns you might have about a project. This is an effective way to publicly raise unaddressed issues and facts. Please note that the deadline for the submission of public comments is **24h GMT** and that comments have to be submitted in English through the online system to be valid. Please contact us if you have any questions or would like assistance in writing and submitting your comments. You can find guidelines on how to write and submit a comment in our [CDM toolkit](#).
