Re.: CDM project 9713, Santa Rita Hydroelectric Plant

Dear Mr. Castañeda Illescas,

On behalf of the Chair of the CDM Executive Board, please find enclosed a communication received from Members of the European Parliament on 20 May 2015 with regard to CDM project activity 9713 Santa Rita Hydroelectric Plant together with our response¹, for your attention.

These communications are being forwarded to you in accordance with the procedure: "Direct communication with stakeholders" (version 02.0)², paragraph 53 (c), *which states that* the secretariat should respond to a communication by forwarding the communication to another relevant institution or body, e.g. the DNA, if deemed appropriate by the Chair of the Board. However, such forwarding shall in no case constitute an endorsement by the Board of the content of the communication.

It would be appreciated if the DNA would let the Board know the current status of this project activity.

Yours sincerely,

Rajesh Sethi
Secretary to the CDM Executive Board
