CIVIL SOCIETY WORKSHOP ON **CARBON MARKETS** IN SOUTH EAST ASIA

ORGANISED BY:

PARTICIPATING ORGANISATIONS:

CETDEM

WALHI

Chulalongkorn University Campus
Bangkok, Thailand 12-14 October 2011
www.cdminsea.org

Three Questions:

- **What are the biggest problems of the CDM today?**
- **What can be done about them?**
- **What does this mean for other market mechanisms?**

Next steps

- Input for one year review process of CDM (launch by EB in Durban)
- Establishment of working group + plan
- First draft workplan: building on from working groups of workshop
- Documentation of bad projects and good projects (best practice)
- Circulation to all through workshop participant mailing list (Focus to set up google group)
- CDM Watch will host discussion forum on website for further discussion
- All welcome to join the CDM Watch Network to keep informed (CDM Watch to circulate information)
- All information presentations available on cdminsea.org
