Subject: [Carbon Market Watch Network] Weekly Updates: new CDM projects open for comment - 10 December, 2012

Dear CDM Watchers,

Please find below a weekly update of all new projects currently open for comments. If you would like to share your thoughts/comments on any of the projects below please reply to this message. Additionally, if you would like to find out how to write a project comment to the CDM Executive Board, please don't hesitate to get in touch with us.

Updates for week 10 December:

1. **Europe** (1 project open for comment- *Large Hydro*)
2. **Asia** (4 projects open for comments)
3. **Latin America** (1 project open for comment)

We strongly encourage you to prepare and submit comments with any concerns you might have about a project. This is an effective way to publicly raise unaddressed issues and facts. Please note that the deadline for the submission of public comments is **24h GMT** and that comments have to be submitted in English through the online system to be valid. Please contact us if you have any questions or would like assistance in writing and submitting your comments. You can find guidelines on how to write and submit comment in our [CDM toolkit](#).
