Subject: [Carbon Market Watch - India] Weekly Updates: 4 new CDM India project open for comment - 10 December, 2012

Dear Indian Watchers,

Please find below our weekly updates with all new CDM projects in India currently open for external comments. If you would like to share your comments/concerns on any of the projects below please reply to this message. Additionally, if you would like to find out how to write a project comment to the CDM Executive Board, please don't hesitate to get in touch with us. **Also, we have included in a second table with all projects that are currently requesting registration in India. If any of these projects are identifiable as problematic please do contact us as soon as possible!**

We strongly encourage you to prepare and submit concerns you might have about a project. This is an effective way to publicly raise unaddressed issues and facts. Please note that the deadline for the submission of public comments is **24h GMT** and that comments have to be submitted in English through the online system to be valid. Please contact us if you have any questions or would like assistance in writing and submitting your comments. You can find guidelines on how to write and submit comment in our [CDM toolkit](#).
