**Subject:** [Carbon Market Watch - India] Weekly Updates: 4 new CDM India project open for comment - 26 November, 2012

Dear India Watchers,

Please find below your weekly update on all new projects open for comments in India. If you would like to share your opinions on any of the projects below please reply to this message. Additionally, if you would like to find out how you can write a project comment to the CDM Executive Board, please don't hesitate to get in touch with us. **We have also included all projects that are currently requesting registration in India. If any of these projects are identifiable as problematic please contact us as soon as possible!**

**We strongly encourage you to prepare and submit concerns you might have about a project. This is an effective way to publicly raise unaddressed issues and facts.** Please note that the deadline for the submission of public comments is **24h GMT** and that comments have to be submitted in English through the online system to be valid. Please contact us if you have any questions or would like assistance in writing and submitting your comments. You can find guidelines on how to write and submit comment in our [CDM toolkit](#).
