

INVITATION:

Effective stakeholder engagement in NAMA development and implementation

Wednesday, 10 Jun 2015,
18:30-20:00

Programme:

NAMAs and civil society

Urska Trunk, Carbon Market Watch

Measuring sustainable development in NAMAs

Karen Holm Olsen, UNEP DTU

Challenges and opportunities of NAMAs in the waste sector

Mariel Vilella, Zero Waste Europe

Gender sensitive and community driven NAMA in Georgia

Sabine Bock, Women in Europe for a Common Future (WECF)

Bonn Climate Change
Conference, Room
Bonn III (72)

Effective stakeholder engagement is widely recognized as a key success factor for Nationally Appropriate Mitigation Actions (NAMAs). In this event, experts from the civil society, business and the NAMA facility will discuss the role of civil society in development and implementation of NAMAs and share experiences and best practices.
